

Make sure to use httponly for session cookies

```
<IfModule php5_module>
```

```
    php_flag session.cookie_httponly on
```

```
</IfModule>
```

keep the URLs clean:

if someone asks for index.php- rewrite the URL without it

```
RewriteRule ^(. *?)/?index\.php$ $1 [NC,R=301,L]
```
